Reference: J. C. Patterson Letter to L. L. Harrington dated 12 September 1983

Enclosure: Part "B", Section C, Revision 1 - Page C-42 through C-60

REGISTERED MAIL - RETURN RECEIPT

Dear Mr. Harrington:

This letter is an addendum to our referenced letter.

On 12 September 1983, we forwarded revisions of our Part "B" permit application. Section C, Tables C-1 and C-3 were revised based on our reregistration of hazardous waste streams. This reregistration was required by Missouri Department of Natural Resources in early 1983. At the time of our reregistration, we consolidated similar waste streams in order to reduce paperwork.

Upon review of our revisions of 12 September 1983, we find that Pages C-42 through C-60 were inadvertently deleted due to consolidation of waste streams. Please insert one copy of the enclosure between Pages C-41 and C-61 in each of the four copies of the Part "B" application.

We are forwarding a copy of this letter, with five copies of the enclosure, to Missouri DNR for their inclusion in their copies of our state permit application.

If you have any questions, please contact us.

Sincerely,

MCDONNELL AIRCRAFT COMPANY
